

Study.com

Bachelor of Science in Psychology

This program plan outlines how students may apply their Study.com course credits to Excelsior College's B.S. in Psychology degree program. Upon completion of the Study.com course credits, the following credits may apply for students enrolling in the Excelsior College BS in Psychology program.

This is only a guide in how credits will transfer into an Excelsior College degree program. **Actual transferability of credits are dependent upon current Excelsior College degree requirements and policies upon the date a student is admitted to the college.** All students will be reviewed individually as it relates to the transferability of credits into an Excelsior College degree program.

Revision: March 2022

EVALUATION SUMMARY		Semester Hours
Credits Accepted from Study.com		101
Credits from Excelsior *		19
TOTAL CREDITS REQUIRED		120

* All credits with the exception of the cornerstone, information literacy, and capstone may be transferred from other institutions. **Exams noted are recommendations only (approval by Academic Advisor is required).**

* Students are required to take a minimum of twelve (12) online Excelsior College course credits to qualify for partner pricing. If students do not complete the minimum of twelve (12) online Excelsior College course credits, additional fees will be billed to the students based on current tuition and fee policy.

* Total degree completion costs will fluctuate based on the number of exams versus online course credits completed and any additional fees associated with degree completion (enrollment fee, annual student services fee, graduation fee, etc.).

* Excelsior College reviews every student individually and this guide is just a sample scenario. Actual requirements will be dependent on the courses a student transfers to Excelsior.

What are Arts & Sciences?

We offer the following definitions to help you make these determinations. Remember, however, that before you pay to take a course or examination you should always consult with your advisor to make sure that it will help meet your degree requirements

Humanities

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation. Here are some subject areas typically classified as Humanities

Art, Philosophy, Music, Foreign Language, Literature, Theater, Ethics, Speech, Religion, Communication
