

NEW Value Package Pricing on These UExcel® Exams from Excelsior College!

Excelsior College is pleased to offer a special Value Package on select UExcel® Exams. This Value Package combines a practice exam with an operational exam, and offers insurance—a free retake—in case you don’t pass the operational exam the first time (a \$110 value)!

The current option of registering for a UExcel operational exam alone will still be available if you do not wish to register for a corresponding practice exam, and are confident that you are prepared to complete the exam successfully on your first attempt.

About the Value Package:

- Not all UExcel exams are eligible for value package pricing—please check list below!
- If you wish to avail yourself of this special package, you must select the “Buy Value Package” button at checkout. If you purchase an operational exam and a practice exam without selecting the value package, you will not receive the free retake.
- The Exam Payment Plan (EPAYPLAN) will not be available for the Value Package option.
- The Value Package covers the registration cost of the exams only; if you do need to take the examination again, you will still need to schedule with and pay your seat fee directly to the testing center for a second administration.

Take advantage of this special value package and discover an affordable, efficient and flexible pathway to a college degree offered through UExcel Credit-by-Exam at Excelsior College!

EXAM TITLE	CREDITS	DESCRIPTION/EQUIVALENCY
BUSINESS & TECHNOLOGY

ABOUT EXCELSIOR COLLEGE

Excelsior College is a regionally accredited, nonprofit distance learning institution that focuses on removing obstacles to the educational goals of adult learners. Founded in 1971, Excelsior is a proven leader in the assessment and validation of student knowledge. It offers efficient and affordable access to degree completion through multiple avenues: its own online courses and college-level proficiency examinations, and the acceptance in transfer of credit from other colleges and universities as well as recognized corporate and military training programs. Excelsior College is accredited by the Middle States Commission on Higher Education.
