

EXCELSIOR UNIVERSITY

HONOR ROLL OF DONORS

2023-2024

Dear Excelsior University Community Members,

Excelsior University Commencement is the culmination of our students' success. Many students could not have achieved their goals without the support of our donors. If you are a donor, thank you. If you are considering becoming a donor, I urge you to join our giving community. Each gift, no matter the amount, helps empower our students to achieve their goals.

Through the generosity of our annual donors, we supported students with nearly \$600,000 in scholarships this year. This support was made possible by our loyal donor base, including members of the President's Circle, who contribute \$1,000 or more annually, and the Purple and Gold Society members, who have given for three or more consecutive years.

Excelsior students work hard, and many support families. Sometimes, they need help to continue their studies. In the words of Morgan R., an electrical engineering technology student and father of three, "Your support is more than just financial aid; it's a gesture of faith in my determination to provide a brighter future for my family as I try to set the best example, especially for my children."

I hope that you will be a critical part of our students' success. Your gift will remove barriers to education and make it possible for Excelsior students to earn their degrees.

Thank you.

Ever Upward!

David Schejbal, PhD
President
